Kimchi sauce Tamaki / Tamaki PRO

PACK SIZES

0.24 l / 0.47 l / 1.5 l / 1.8 l

Kimchi Tamaki sauce preserves the secrets of the traditional preparation technology. It is used in more than 170 dishes of pan-Asian cuisine. The thick texture and rich flavor of ginger, garlic and hot chili peppers are excellent when preparing meat, soups and salads. Tip from the chef of the brand: for a deeper taste and bright accents, add the sauce to traditional European dishes, for example, borscht. It can also replace salsa in classic Mexican tacos. The product is certified according to the GSO 2055 (Halal) standard.

Soy sauce Tamaki / Tamaki PRO

PACK SIZES

0.24 l / 0.47 l / 1 l / 20 l

Tamaki soy sauce is the key to deep and balanced Asian dishes. It combines a rich salty taste with a caramel aftertaste, without bitterness. Its dark, dense color and homogenous consistency without sediment make it ideal for dressing, marinade or as an independent addition to dishes. The rich taste and thick consistency allow economical use as a base for author's dressings. Chef's tip: add a few drops of soy sauce to soup or when stewing vegetables to multiply the flavor of the ingredients. The product is certified according to the GSO 2055 (Halal) standard.

Tamaki Japanese Mayonnaise

PACK SIZES

250 ml / 0.5 kg

Tamaki Japanese mayonnaise is the only mayonnaise produced in Russia according to an original Japanese recipe. The special composition provides a silky texture, light acidity and a deep flavor with fish notes. Suitable for salads, replaces cream cheese in sushi and rolls, does not separate when baking and does not run off the burger patty. The dense texture and rich taste allow economical use — 1 tablespoon is enough for a serving of salad. Chef's Tip: For a Japanese-style okroshka, flavor this cold cucumber, crab roll, and fennel soup with mayonnaise. The product is certified according to the GSO 2055 (Halal) standard.

Habanero Tamaki Sauce

PACK SIZES

0.47 l

The Caribbean red variety of peppers from the habanero family in the composition of the sauce has a citrusy and slightly smoky taste. On the Scoville scale, it is rated at 300,000–445,000 units—150 times hotter than the famous jalapeño. Habanero Tamaki enriches the taste palette. One drop is enough for a bold accent in meat and fish dishes, soups and salads, cocktails and desserts. Enriches signature sauces: choose the base and Habanero will add character. The 470 ml bottle allows for many experiments, and the convenient tight cap prevents the sauce from drying out. The product is certified according to the GSO 2055 (Halal) standard.

PACK SIZES

25 kg

Technical specification Tamaki rice, first quality, is excellent for sushi and other Asian dishes. After cooking, it becomes sticky, but retains its structure. An economical option, especially in demand by delivery kitchens and restaurants in the middle price segment. Crushed grains — up to 12%; chalk grains — up to 1%; grains with red stripes — up to 1%; red beans are not allowed. Unlike rice according to the technical specification of other manufacturers, it is produced according to a strict standard with certain permissible indicators. The rice is in sack No. 09, 25 kg.
